

Dear Jason,

Our group of Indian Rocks Beach residents can never begin to thank you enough for your service to our country. We want you to know that even though you are miles away, you are still very much in our thoughts.

Please accept this Beach Box of goodies as a small token of our appreciation for the personal sacrifice you make every day to protect our freedom. Each member of our group looks forward to your safe return!

With deepest gratitude for your service,

Indian Rocks Beach Homeowners Association

**P.S.**

YOU are one of the first to receive a Beach Box from us! If you can think of items that you and others serving would most like to have, your feedback will be helpful. We would also enjoy seeing the interesting locations where the IRB sticker ends up...so feel free to send us pictures by mail or e-mail!
